Give Hope Shop and Support Pediatric Cancer Foundation

Willow Ridge Country Club, Harrison, NY

On Tuesday, October 29, 2013, Pediatric Cancer Foundation hosted its annual Give Hope Shop boutique located at Willow Ridge Country Club. Our children's charity publicly thanks Willow Ridge Country Club for hosting our Boutique.

This fundraiser featured nearly 40 vendors selling fine jewelry, home accessories, stationery, custom clothing, children's gifts and much more.

Cheryl Rosen, President of Pediatric Cancer Foundation, applauds Boutique Chairs: Judith Elkins, Susan Barragan, Robin Gensburg, Karen Klein, and Debra Zeplin for producing this successful event "Although this boutique takes place on one day it takes an entire year to coordinate every last detail. Thank you boutique chairs as well as Boutique guests and vendors for helping us to ***...hold the hand of a child.***"

*Founded in 1970 as a non-profit organization, Pediatric Cancer Foundation's mission is to fund research, state of the art equipment/instruments and patient/parent care at leading world renowned hospitals and their satellite offices. These hospitals include: NewYork-Presbyterian Morgan Stanley Children's Hospital, Memorial Sloan-Kettering Cancer Center, Stephen D. Hassenfeld Children's Center for Cancer and Blood Disorders at NYU Langone Medical Center, Cohen Children's Medical Center of NY and Maria Fareri Children's Hospital at Westchester Medical Center.

Cancer does not discriminate. It can strike anyone at anytime. Unhappily, there is little federal money available for pediatric cancer research. No child should have to suffer the horror, pain and despair of pediatric cancer. For more information about our organization go to: www.pcfweb.org
