**Your First Mud Run** is the **ONLY** mud run in the country designed so both parents and kids (Age 6+) can run together. Our courses are 1.5 - 2 miles and include the following obstacles: wall climb, tire carry, row of tires, heavy jump rope, tubes, and of course a mud slide. If you're thinking about challenging yourself in some of the other extreme mud runs, sharpen your teeth in ours first!

***Pediatric Cancer Foundation*** has been a leader, raising awareness and funds for childhood cancer for 40 years. As a non-profit organization, **PCF** funds the vital work of hospitals by allocating money for treatment, patient/parent care, fellowships and research equipment in the study of pediatric cancer. The Foundation supports several hospitals in the NYC metro area and their affiliates including:

***NewYork-Presbyterian Morgan Stanley Children's Hospital***

***Memorial Sloan-Kettering Cancer Center***

***Cohen Children's Medical Center of New York***

***The Stephen D. Hassenfeld Children's Center for Cancer and Blood Disorders at NYU Lagone Medical Center***

***Maria Fareri Children's Hospital at Westchester Medical Center***

***The University of Chicago Medicine Comer Children's Hospital***

***Hope & Heroes:*** Our mission is to fund the life-saving work on childhood cancer and blood disorders at Columbia University Medical Center—including cutting-edge research, support for families, and care that always puts children first. Hope & Heroes works with the Division of Pediatric Hematology, Oncology & Stem Cell Transplantation at Columbia to create a treatment experience that not only gives patients their best chance to overcome their disease but also allows them to experience as much of their childhoods as possible. The research that we fund benefits not only the children in our care but also children facing cancer and blood disorders around the country and the world.
